

Comic Book Work-Box™ How-To Guide

What's Inside

The Illustration Pad

The Comic Book Work-Box includes an illustration pad made up of various strips of comic book panels. The pad is available in larger sizes. Visit artEdify.com and click on **List of Products**.

Refill Options

artEdify.com separately sells the Comic Book Work-Box Calligraphy Pen™, the Comic Book Work-Box Drawing Ink™, the Comic Book Work-Box Illustration Pad™ among other products to meet your creative needs.

How to Handle the Calligraphy Pen

1. Gently dip pen into ink tube.
2. Tap dipped pen onto the edges of the tube to remove excess ink.

Tips:

- Store ink at cool temperatures.
- Always reseal ink tube.
- Use sandpaper to re-sharpen pen.
- Use different edges of pen to create thicker or thinner lines.

Practice below:
